

HOTELS IN CAMBRIDGE CITY CENTRE

COVID 19 update: With many hotels currently closed due to the Pandemic it has not been possible to update this information, and there are some new hotels that will be added, and other details will change, such as website links. It is left here for general interest only and we will update the information as soon as we can.

It is understandable that some delegates may prefer to stay in Cambridge, near the city centre, and for these delegates we intend to arrange coaches timed to deliver them to the conference centre in time for the start of the morning session, and in the evening a return drop off. The number of coaches needed will depend on how many delegates are in the city and where they are staying.

We regret that we can only arrange transport to and from city centre locations. For those bringing cars we must advise that several city centre hotels lack any parking facilities and others charge for this, so it is advised to check if car parking is available at the hotel. However, for those with cars there are many good quality hotels outside the city centre and of course there is ample parking at the conference centre.

This document provides basic information about the main city centre hotels, which will be close to one of the locations where the coaches will collect and set down delegates. These hotels are grouped in accordance with these locations. We have used descriptions provided by the hotel websites but we have not checked the information ourselves so we do not offer any assurances that the information is correct and recommend that you check the correctness of any of the information with the hotels that you consider booking.

We must stress that we have no financial arrangement with the hotels shown inclusion in this list does not imply a recommendation on our part. All of the hotels are within comfortable walking distance from the main attractions in the city.

Please note that you can also stay at the Conference Centre at Hinxton Hall, and details are given by the accompanying PDF titled 'BOOKING ACCOMODATION AT HINXTON HALL'.
